

## PROFILE

Leader, Geek about computers, Technologies, Highly qualified, dedicated, and multifaceted Specialist seeks to face any challenge in the workforce. Demonstrated excellence in all facets of work, programming, troubleshooting, combined with strong analytical, organizational, and technical proficiencies and outstanding communication and Interpersonal skills.

By moving to the Netherlands from India, learning the language, and launching and participating in non-profit initiatives, I demonstrate motivation, resilience, and dedication. I am now enjoying my current challenge in finding a new opportunity to build a better working world.
